

WE'RE HIRING!

OPPORTUNITY: Seasonal Build Crew (UK)

Company: Spartan & Tough Mudder UK(*subsidiary of Spartan Race Inc. - USA*)

Post Title: Seasonal Build Crew

Salary: Competitive day rate

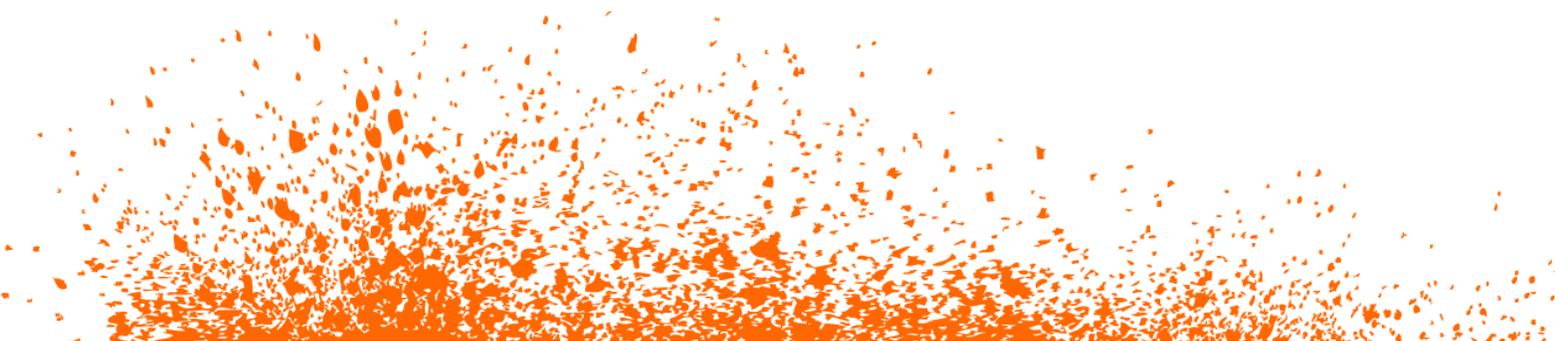

About Spartan and Tough Mudder UK:

From our humble beginnings in 2010, both the Spartan and Tough Mudder brands have grown exponentially across the globe, now operating in over 42 countries, delivering over 250 events annually and welcoming 10+ million people to our start-lines. Our mission throughout remaining clear, to transform 100 million lives, and we are well on our way to achieving that goal.

From day one, we've built a culture to reflect that philosophy, bringing on quirky people who are great at what they do and passionate about our events and customers. Together we have created brands that have become movements and lifestyles; in just six years, we've helped our communities fundraise over £5M for UK charities and had over 10,000 people get Tough Mudder or Spartan tattoos. The opportunity ahead of us is vast, and we continue to look for the best, brightest and most badass to join us.

Our ideal candidate wants more than a few lines on their resume - they want to help build a company that changes the lives of millions of people for the better. This role will give you the opportunity to push your boundaries and find out what you're capable of, to work with and learn from incredibly smart people, and, most of all, to enjoy the journey of helping to market a world-class events organisation.

Sound like something you can get on board with?

THE JOB: Overview

We're looking for build crew to join our Production team putting on events across the UK. This is a seasonal role that involves travel to event sites across the season and long periods of time onsite preparing for events. We are looking for outgoing and hardworking individuals to assist in the set-up and delivery of both our Spartan and Tough Mudder events. This is an independent contractor role reporting into a member of our Production team. You will be part of our build team, building obstacles and setting up courses before events as well as managing live courses and assisting with de-rig.

The Work:

- Attend assigned events and travel between events throughout the season
- Work within a team to ensure obstacles are built and dismantled as required
- Assisting with the loading and unloading of event kit
- Overseeing a section of the course during the live event
- Management of volunteers assigned to your area over the weekend
- Assist in the build and breakdown of the course as required
- Provide the Production team with feedback on challenges, experiences or improvements that can be made at the end of each event.
- Monitoring conditions of obstacles and reporting on any issues.
- Adhering to event safety standards

The Traits:

- Demonstrable experience in construction
- Ability to thrive in a fast-paced environment
- Team player with strong organisational and time management skills
- Ability to work independently and without supervision
- A can do attitude
- Attention to detail and ability to work from build plans
- Health and safety focused
- Willingness to travel and work long days in all weather conditions
- Be able to work away for extended periods of time, often up to 3-4 weeks at a time

The Experience:

- Construction experience (experience with truss builds preferable)
- Valid driver's license is required
- Experience of handling heavy equipment preferred but not essential
